VENUE INFORMATION

THE SPACE

The Big Bang Dueling Piano Bar is one of the most unique entertainment venues in Cleveland. We're located in the popular new Flats East Bank entertainment district, close to the Convention Center, downtown hotels and major sporting arenas. With 3,500 square feet of meeting and event space, The Big Bang can accommodate up to 200 people seated and 400 people reception style. The space is available for full and partial buyouts any night of the week. We offer a variety of bar, catering and entertainment options for any budget, and our event planners will work closely with you to make your event a night your guests will be raving about for months to come.

THE VIP SECTION

Want to be a part of the action, but still feel like your group has a private space? Our VIP Section is a perfect area for groups of up to 30 people seated or 50 people reception style. The semi-private area sits in the back corner of the room, with great visibility to our main stage, and easy access to our back bar. This space is popular for groups looking to enjoy an exciting night of dueling pianos without the expense of doing a full buyout. Amenities include wireless internet, excellent stage views and easy bar and restroom access.

THE PATIO

Our large patio can accommodate up to 60 people reception style. Guests can still enjoy the sounds of the show, but in a private outdoor atmosphere with a great view of the Flats East Bank.

TESTIMONIALS

Our company has held a large, private event at The Big Bang for the last five years and every year it has gone off without a hitch! The Big Bang staff goes above and beyond to accommodate their guests. They helped us before, during and after the event to make sure we were completely satisfied. We love the atmosphere and people and will be back again!

- Stephanie Murphy, BioSafe Systems

The event was incredible. The service was way above average, and the people are still talking about how cool the entertainment was.

- Bianca Catalano, Indiana University

My client loved their holiday party at the Big Bang. It was a great casual atmosphere for an employee gathering outside the office.

- Tanya Irelan, Corporate Event Planner

The event was spectacular!! Nicole Lemus - Perfect Wedding Guide

I've been to a few piano bars, but this one takes the cake. Best talent, comedy, and all around good times. - Nester05 on Trip Advisor

I just wanted to let you know that I really have enjoyed the last four events we had at the Big Bang! I have had nothing but great feedback from both employees and the candidates that were here to interview. Thanks again to you and your wonderful staff!! - Travis Triggs, Dell Inc.
